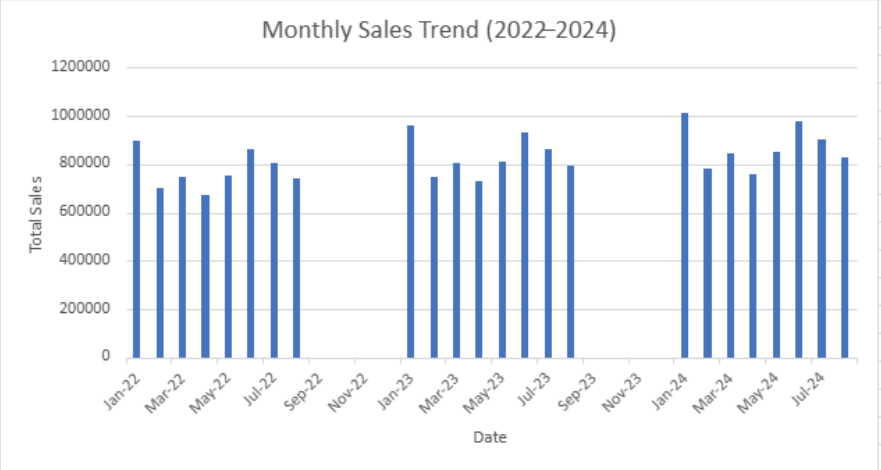
Grand Total	**19791571.86**



Observations: The bar chart indicates that January 2024 was the company's strongest month in terms of chocolate sales revenue, while April 2022 recorded the lowest revenue.

Query 2:

Observations: This bar chart shows that year-over-year growth was 7.44% in 2023, compared to 4.83% in 2024. This indicates a slowdown in growth for 2024 relative to the previous year.

Query 3:

Single value visualization:

	month double precision	year double precision	total_sales numeric
1	1	2024	1013621.82

Observations: Between 2022 and 2025, January 2024 had the highest sales, making it the top-performing month in that period according to the data analysis.

Query 4:

sales_date	total_sales

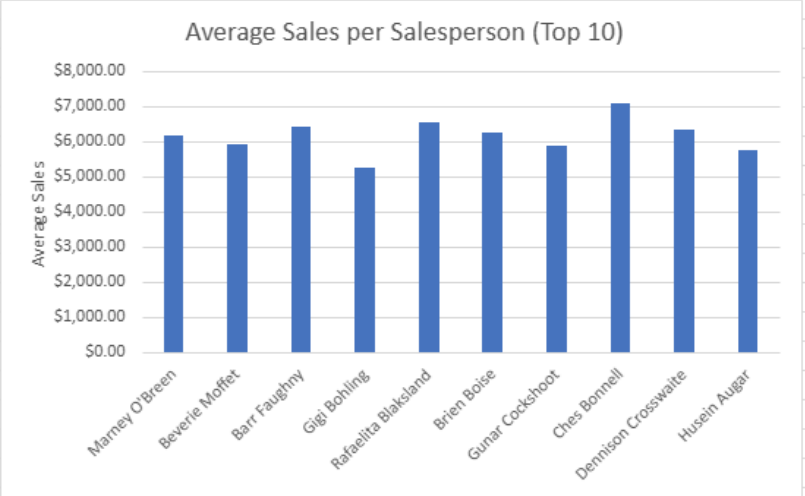
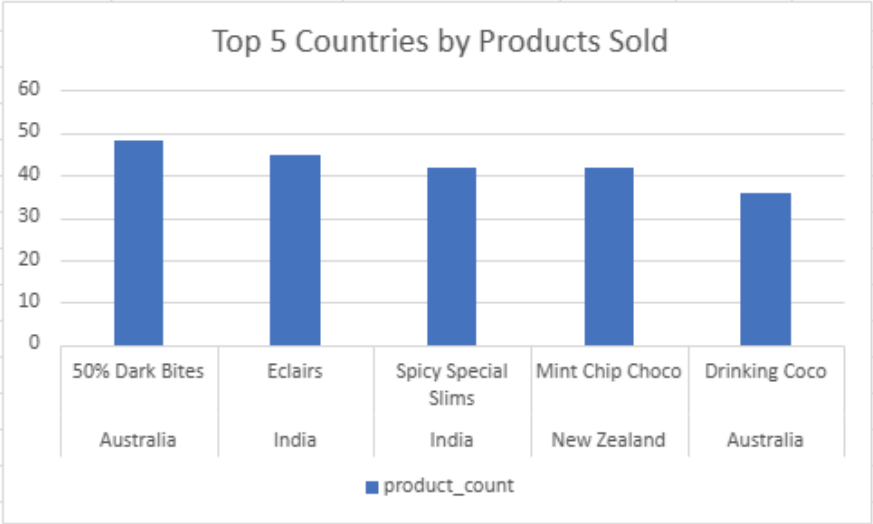
Dennison Crosswaite	$6,339.11
Husein Augar	$5,755.70



Observations: Ches Bonnell leads the team with an average of $7,101.39 in sales, while most others range between $5,900 and $6,500, with Gigi Bohling and Husein Augar at the lower end. Overall, performance is fairly balanced with a few standout contributors

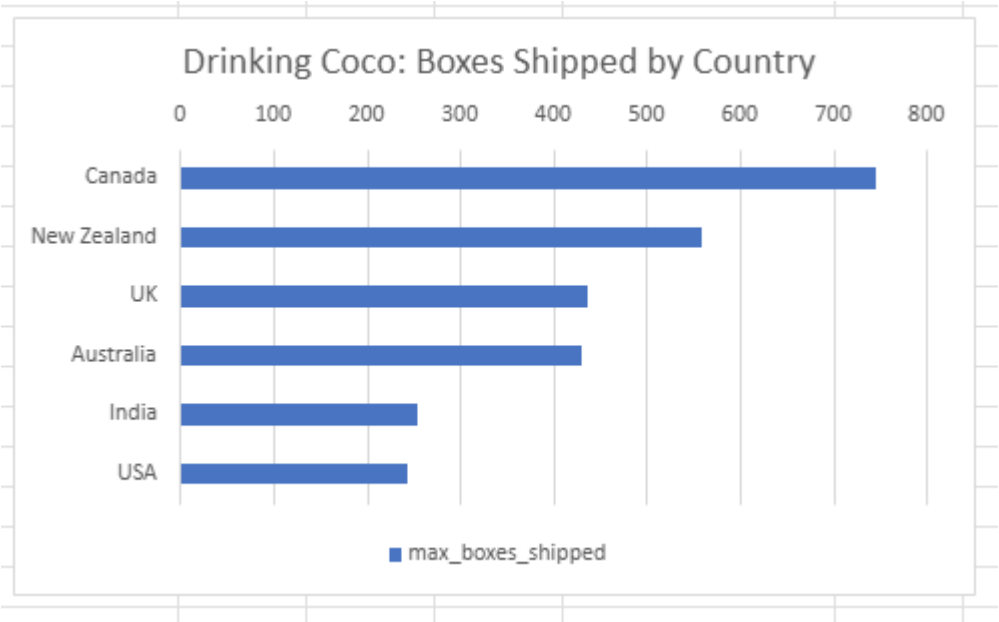
Query 6:

country	product	product_count
Australia	50% Dark Bites	48
India	Eclairs	45
India	Spicy Special Slims	42
New Zeala	Mint Chip Choco	42
Australia	Drinking Coco	36



Observations: In Australia, 50% Dark Bites tops the list with 48 units sold, followed by Drinking Coco with 36 units. India's leading products are Eclairs (45 units) and Spicy Special Slims (42 units), while in New Zealand, Mint Chip Choco is the most popular at 42 units, reflecting distinct regional preferences.

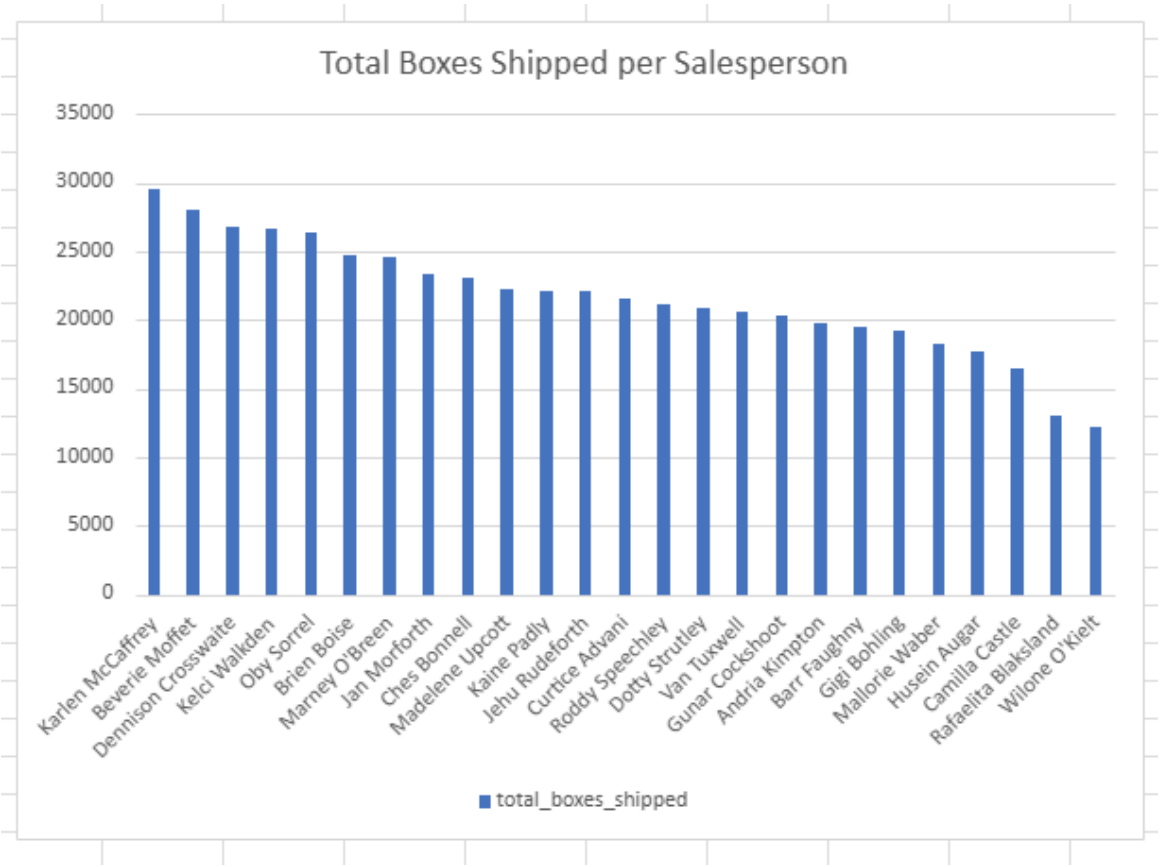
Query 7:



Observations: Looking at Drinking Coco shipments, Canada leads the way with 746 boxes, followed by New Zealand and the UK. Australia, India, and the USA have smaller shipments,

showing that while the product is popular worldwide, the biggest demand comes from Canada and New Zealand.

Query 8:



Observations: The top five performers—Karlen McCaffrey, Beverie Moffet, Dennison Crosswaite, Kelci Walkden, and Oby Sorrel—stand out in the High Commission category, while most of the team falls into Standard Commission. At the lower end, Wilone O'Kielt shipped the fewest boxes (12,233) and is in the No Commission category, highlighting a clear performance gap across the team.
